

# Livable art.net

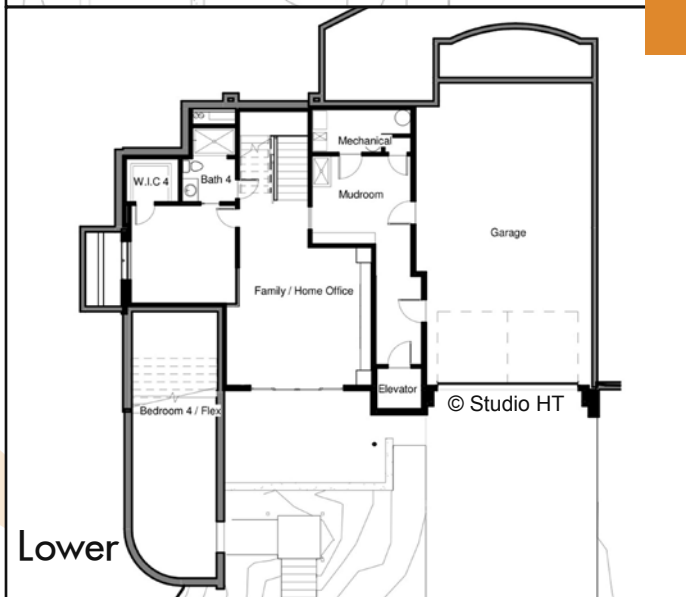

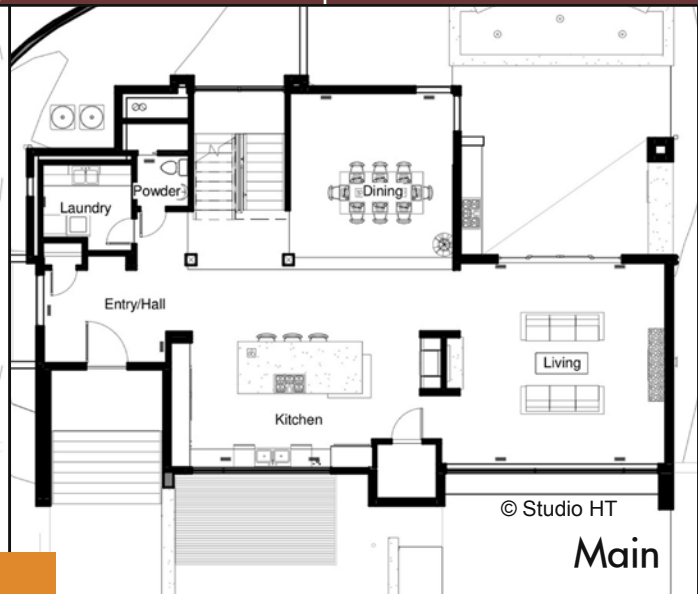

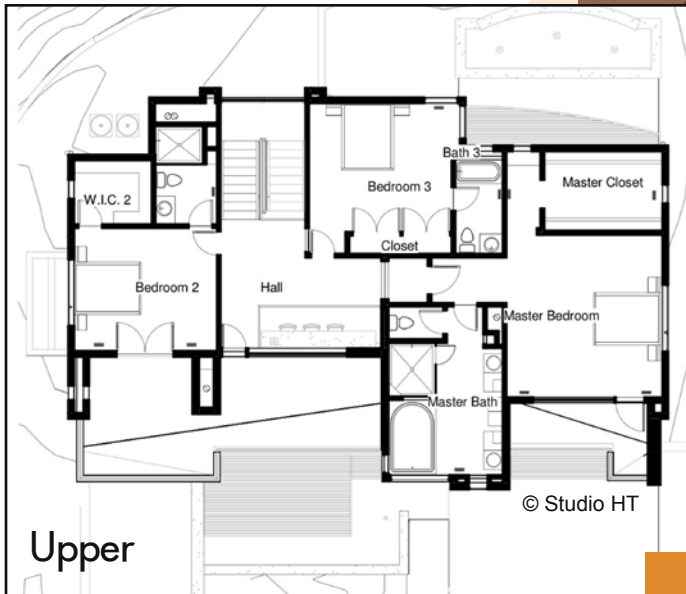

by Cornerstone Homes

Rarely does a site like this come available – and even more rarely does a home like this one get built on such a site. A penthouse in Manhattan comes to Boulder in the form of this spectacular modern masterpiece. Curtain walls of storefront glass frame the iconic Flatirons from almost every room in this luxuriously elegant wonder. 4-car garage, residential elevator and a features and finishes list that must be experienced to be appreciated. A once in a lifetime home!

4557 finished sq. ft.     \$2,763,000.00

**1205 Meadow, Boulder**

- The best views in Boulder – period!
- Sustainable green luxury – eco-sensitive construction
- State-of-the-art systems and features throughout
- Singularly spectacular architectural showplace

**720-771-0744**
